

Join Us for a Revolutionary Dental Implant Event!

Join us at Drake Dental Lab's Open House on February 9th, from 9:00 am to 12:00 pm, for an exclusive opportunity to experience the latest advancements in dental technology with the Yomi robot by Neocis.

FEATURED SHOWCASES

YOMI ROBOT BY NEOCIS

Be among the first in Charlotte, NC, to witness the Yomi Robot, a cutting-edge technology that is revolutionizing dental procedures. Explore its capabilities and discover how it enhances precision in dental surgery. Don't miss this chance to see the future of dentistry up close!

TRIOS SCANNER

Explore the state-of-the-art Trios Scanner, offering firsthand experience of its efficiency and accuracy. Discover how this advanced scanning technology can elevate your practice and streamline your workflow.

BEYOND TECHNOLOGY

MEET THE DRAKE DENTAL LAB TEAM

Take a behind-the-scenes look at Drake Dental Lab and meet the skilled professionals who bring innovation to life. Our lab tours provide an exclusive opportunity for you to connect with the team, ask questions, and gain insights into the dental solutions we offer.

WHAT TO EXPECT

- Live Yomi Robot demonstrations
- Trios Scanner hands-on experience
- NeoDent and Straumann reps available for your questions and insight
- Lab tours and team meet-and-greets
- Morning refreshments and networking

BRING YOUR TEAM! ALL ARE WELCOME

Your team members are more than welcome to join in and explore the latest in dental technology with you. Don't miss the chance to be at the forefront of dental innovation!

Drop us a line and let us know if you can make it, and we'll reserve an exclusive Drake travel tumbler just for you!
